Verse 2:

Look out on the street now, the party's just beginning
 The music's, playing a celebration song
 Under the street lights the scene is being set
 A night for romance, a night you won't forget. So
 Come join the fun, this ain't time to be staying at home
There's a party going on, yeah
 Tonight is gonna be a night like you've never known
 We're gonna have a good time the whole night long.
 Oh yeah. ***To chorus pg. 5**

Spanish Verse:

**Cuando sientes que el mundo
 Está encima de tí
 Y la vida te tienes como loca
 Conozco un lugar
 Donde podemos bailar**
